Board Meeting Minutes November 16, 2022 - 8:00 to 9:30am Hybrid Meeting In Person at PENCIL or via Zoom

Welcome and Introductions - Wes Payne

Review of Minutes - Meredith Jones - no changes were suggested to the August meeting minutes. Norman called for the approval of minutes. Wes seconded the motion. The vote passed unanimously.

- Meredith shared these Executive Committee approvals from September and October meetings
 - Board Designate \$12,000 from Unrestricted Individual Giving to use as an Endowment Campaign matching incentive in November
 - Approved a request from Saint Thomas/Ascension to use final \$5,200 of Board
 Designated funds for health clinic at Maplewood High School; closure of clinic and
 removal of signage (They will remain a Partner with the Healthcare Academy at
 Maplewood.)

Treasurer's Report - Kenny Crapse

Kenny shared these key points on the YTD financial statements through October 31, 2022:

- Individual Giving we continue to receive gifts beyond what we had budgeted
- Foundations/Corporations likewise we have received several significant investments that we had not budgeted
- Special Events during our audit process we discovered that we recorded \$10,000 of FY23
 Breakfast sponsorships in FY22, so we will update our Forecast to indicate a reduced
 expectation in revenue for this year as a result of that error
- Program Project Funding Together 4 Teachers did fall short of its expected financial target;
 and we reduced expenses to offset the lower revenues

EXPENSES

- Professional Services the largest element of our being overbudget is our fee to our
 outsourced accounting providers; so we have decided to bring the work in house starting in
 January; we also used a variety of outsourced service providers to fill in for vacant staff
 positions; you'll note a significant savings in Personnel expenses YTD
- Program Expenses since our T4T revenue fell short of our goal, we reduced expenses by \$9,000
- Staff Development and Community Events the variance is primarily due to the executive coaching services provided to mid-level managers. We simply overlooked budgeting the work continuing into this fiscal year.

Big picture – our forecast now indicates a slight shortfall, however we have not accounted for using any of our \$100,000 that we designated for Staff Retention. So our preference would be to monitor our finances and not use any of those funds until we have a clear need.

He also shared two FYI items -

- 1. Our FY22 Audit and tax return have been completed and the Executive Committee met with our auditors we granted \$1.67M to MNPS in FY22
- 2. Update on operating line of credit we will need to increase in order to manage cash flow needs due to TDOE grant being a reimbursement grant

MNPS Engagement and Support - Jacky Gomez and Devin Lintzenich

- PENCIL will continue to provide focused training and support to MNPS staff to assure their knowledge of and success at utilizing our resources to facilitate community engagement with schools and students.
- PENCIL Connect use this app to browse various volunteer opportunities
- Our traditional holiday party will be replaced with a holiday volunteer opportunity.
- Alayna Cate, the first Director of Partnerships (previously a Partnership Manager); now leading the Partnership Team
- Currently, we have 13 PENCIL Connect events listed at 12 schools and 25 people have secured volunteer moments for these events
 - o For all time, there have been 31 total volunteer events posted
 - 5 board engagement events & 26 school events
 - 16/25 (64%) of all school-based events this year had at least one volunteer registrant, including events that have not yet occurred yet

Strategic Growth - Robyn Williams and Perry Moulds

- We surveyed teachers to see if they would be interested in using their stipends to purchase supplies from us at a significant discount; not enough feedback to encourage us to develop this aspect of the Box; we'll re-survey in the spring
- Teacher traffic in the Box is down, but we are currently giving away more materials than before. We are hearing that basic burnout is the main cause but other elements are attributing to this decline, too.
- Another satellite location right now doesn't seem like a need.
- We are looking at delivery models and creating core supply boxes to distribute proactively.
- Kids In Need Foundation (our primary supplier) is looking to expand drastically, with PENCIL identified as a top partner for more product distributions
- We are now distributing materials to other community entities who also serve Title 1 students and families
- Our TN Dept of Ed Grant (\$4.67M) for high impact tutoring is now under way.

• Sarah Chin, MNPS Chief of Strategy, shared about MNPS' future grant ideas in partnership with PENCIL

Diversity, Equity, and Inclusion Journey - Olivia Hill & Emily Gruening

- This work continues to be supported by a partnership with Culture Shift Team. They are going to collaborate with us on the final version of our recruiting and hiring process.
- Jonathan Merrill shared on behalf of Culture Shift Team the Equity Lens Tool and how it has influenced our updated hiring process
- Next step create rubric to evaluate potential board candidates

CEO Transition - Hasina Mohyuddin & John Doerge

- Acknowledged Scarlett Family Foundation's investment in our search and transition process.
- Will begin to host Listening Sessions with key stakeholders and staff to get their feedback.
- Our plan is to have the job description prepared by May of 2023
- Hasina then invited the board to review the strategic plan and discuss what we need from our next CEO
 - Seek input on top three focus areas for our next CEO Small Group Discussions
- Following their small group discussions certain group leaders shared
- Characteristics of what the CEO should have.
 - Being a visionary and having a strong network.
 - Someone who can maintain the culture and create personal connections with each board member
 - Able to manage relationships well and being a responsible steward
 - A responsive nature to MNPS needs and desires. Making sure we are responsive is vital instead of dictating to the district.
 - o Flexible and creative while able to be externally focused to maximize fundraising
 - See where they have gaps and look at where we need to supplement staff members as well
 - A personal experience with public schools
 - A special interest in DEI
- Focus on growing PENCIL's footprint inside and outside Nashville
- Focus on building and maintaining the best team for the work at hand recognizing that with growth the work and maybe the people will change
- Focus on relationship building Donors, stakeholders, MNPS, Metro, etc....

Board Engagement - Kaitlyn Jones & Blake McDaniel

- Our Possip pulse check results were good however we want to increase the participation
- Shared our demographic goals for the board Latinx goal being a main focal point for this committee for the next class of board candidates

Development, Marketing, and PR - Kendrick Robinson & Nicole Keefe

- At each table there are thank you notes to write to recent donors.
- We did meet our \$12,000 endowment match challenge earlier this month.
- Todd Figler will be hosting a lunch at Alliance Bernstein so investors can learn tips that will allow them to increase their philanthropy.
- ALNM will be co-chaired by Rachel Hawksworth, Amani Kelly, and Nancy Floyd.
- Jacquie Thomas shared about PNC's philanthropic efforts. PENCIL is a part of their team goal and after volunteering 100 hours their foundation gives a check to the supported organization, so soon PENCIL will receive a check for \$3,000 as a result of her team's volunteerism in the DG PENCIL Box.

CEO Thoughts - Angie Adams

- Staffing transitions
 - Chief Operating Officer Robert Wallace now the Mayor's Education Advisor
 - o Great feedback on the role, so we've recast it as a Chief Administrative Officer
 - Outsourced our CFO work to a highly skilled contractor Matt Deeb
 - O While we've had a great experience working with Forvis as our outsourced accounting provider for 2 years, we think it's now time to hire a Business Manager and bring the work in-house; it will be a neutral financial decision but will afford us roughly 20 hours a week of capacity that can support the Chief Administrative Officer
 - o We have recently welcomed our first Chief Technology Officer Olivia Blake
 - Olivia had worked with us in a consulting capacity on and off for 4 years on specific projects
 - Later in the spring she will seek to hire a Technology and Data Coordinator to complete her team
 - Our Individual Giving Manager position transitioned recently, so we are excited to welcome Sky Coakley in this role now. Sky will be your point of contact for questions related to your Board investments, so you will get to engage with her soon.
 - Our long-time team member Sandra Harris was serving as our Grants and Content Manager but made a move to lead the Membership team at Cheekwood. So we are excited to have Holly Hoffman, who you might know from NFocus magazine, join our team in early December.
- A key part of our CEO Transition Committee's work is to focus on staff development and retention, so that team is doing some very thoughtful work around understanding what our team values and how we can expand our budget to be an employer of choice
- Our February Board meeting will be in a school; likely no Zoom option

Looking Ahead to 2025

PENCIL partners with businesses, community groups, and other organizations to bridge the resource gaps in Metro Nashville Public Schools (MNPS) that directly impact day-to-day learning.

We facilitate community mentorships, engage in-class and virtual volunteers, and collect and distribute essential school supplies so that students are ready to learn and teachers are prepared to teach.

Our impact is made possible through strategic partnerships, corporate sponsorships, hundreds of volunteer hours, and strong community investment.

2022/2023 Priorities We've carefully chosen the following priorities based on urgent MNPS teacher and student needs.

Partnerships

MNPS Engagement and Support

Using technology to link school needs with community volunteers

PENCIL will continue training and supporting MNPS staff to understand and utilize our digital resources, facilitating successful community engagement with schools.

Top 2022-23 Goals

- 1. Become a key component of MNPS professional development
- 2. Utilization of our virtual suite of tools increases by 25% (includes virtual Job Shadows and Field Trips)
- 3. 50 schools will list appropriate volunteer opportunities on PENCIL Me In; community partners will fulfill 100 opportunities

Strategic Growth

Expanding the scope and availability of the resources we recruit for MNPS

PENCIL will evaluate potential growth areas and move forward on projects that will make a significant impact on student success.

Top 2022-23 Goals

- 1. Successfully facilitate our first multi-million dollar grant to support MNPS (impact 3,500 students through Accelerating Scholars)
- 2. Evaluate the DG PENCIL Box as a possible vendor for MNPS' teachers supply funds
- 3. Evaluate facility needs to maximize teacher access to quality supplies

Board Engagement

Building a diverse and engaged community of public education advocates

PENCIL will continue to recruit, engage, and celebrate a diverse and enthusiastic cohort of Governing Board and Emerging Leaders Board members, whose guidance we will seek in all aspects of our work.

Top 2022-23 Goals

- Provide mentoring of new members to facilitate their connection to the group
- 2. Curate regular opportunities to build community and trust
- 3. At least 85% of board members rate themselves Highly Satisfied with their experience on our annual survey

Diversity, Equity, and Inclusion

DEI Journey

Defining and implementing an equity vision for all aspects of PENCIL

PENCIL will continue developing and implementing best practices that nurture stakeholder diversity in race, gender, sexual orientation, and socioeconomic status. These practices will foster an inclusive working environment, identify and address inequities, and boost team competency in the areas of diversity, equity, and inclusion.

Top 2022-23 Goals

- 1. Update core business practices with a DEI lens
- Continue moving board demographic targets closer to MNPS student demographics
- 3. Provide ongoing educational opportunities for staff, board, and Partners

Financial & Operational Stability

CEO Transition

Investing in staff leadership and assuring a solid organizational infrastructure

PENCIL will create a thoughtful framework to assure organizational success at managing a planned CEO transition in June 2024.

Top 2022-23 Goals

- 1. Outline a timeline and key elements for a CEO search
- 2. Update documentation for all core business practices
- 3. Identify key strategies for staff development and retention

Development, Marketing, and Public Relations

Storytelling to connect donors to meaningful, innovative investments

PENCIL will continue to grow deeper and more philanthropic relationships with the community while using first person voices to share the impact of our work. We will also celebrate our 40th Anniversary year as an opportunity to assure PENCIL is a forever resource to MNPS.

Top 2022-23 Goals

- 1. Meet or exceed all operating revenue targets
- Secure 5 planned gift commitments and reach \$2M in total endowment gift commitments
- 3. Share "40 PENCIL Stories" to give voice to students, teachers, and Partners

Looking Ahead to 2025

We've identified key areas for growth that will maximize PENCIL's impact. In the next few years, we'll be gathering support for initiatives designed to define and implement an equity vision, expand community partnerships, evolve the DG PENCIL Box, and ensure a stable future for PENCIL.
