

PENCIL

How Do Board Members Support Fundraising?

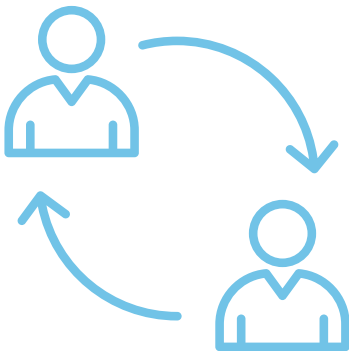

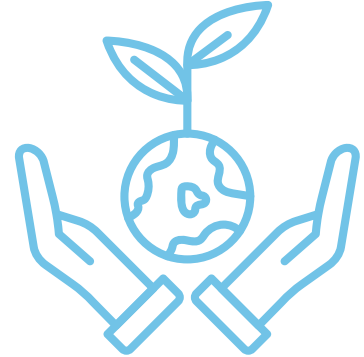

Connections

Leverage your networks to connect us with potential donors and corporate partners. Make warm introductions that help us build vital relationships, secure resources, and expand opportunities for MNPS students and educators!
Ex: Invite PENCIL to sit at your table for corporate or community events; join you at a networking hour; or invite CEO to meet potential supporters

Stewardship

Play a key role in stewarding PENCIL's donors by expressing gratitude, sharing impact stories, and nurturing relationships. Your engagement ensures donors feel valued and inspired to continue their support!
Ex: Personalize thank you cards; share a handwritten note or call to major donors; learn PENCIL stats and share in your circles.

Peer to Peer

Boost PENCIL's mission by leading P2P fundraising campaigns. By sharing your PENCIL story and rallying your networks, you inspire others and make giving more meaningful.
Ex: Create a fundraising page for PENCIL for your birthday; host a supply drive; model giving by contributing personally every year.
